Main Building/Clothing House Update

We have reopened our new, renamed clothing house!

Welcome to CCAP's Unique Boutique! If you would like to take a tour of our new boutique, come on by! Cheryl or Andrea would love to show you around! We are still discussing what changes will be made to the main building, but for now, it just feels like home! We will keep you updated as we progress.

Mobile Ministries

Mt. Falls Blessings: is a local ministry west of Winchester that serves clients monthly with the help of CCAP. This quarter, we were happy to assist with 180 boxes (60 families served monthly). We also share our donation wealth with them, when able, with bread, produce, pastries and any linens we receive in abundance.

Emmanuel UMC: this is a Methodist church located in Stephenson, VA and we are happy to deliver 120 - 150 boxes (40/50 per month) to this ministry to distribute along with produce, pastries, and bread.

Welcome to CCAP's Unique Boutique

Our clothing house renovation is complete! We have opened closets, placed vinyl flooring, and had tons of built-in shelving to fill our need for all the donation blessings we receive every day. The baby & toddler room got built-in shelves to store all the diapers from our friend, Jody Stephenson, the founder of The Red Wagon Ministry! Thank you to The Church of Jesus Christ of Latter-day Saints Elders, our regular volunteers, and their families and HomeAid for the renovations.

Volunteer Appreciation Dinner

It was an honor to host our volunteers to a night for them. We would be nothing without the dedication of each one of our regular volunteers, member churches, and the community volunteers that just want to give back. We had a wonderful night of "friend" raising with Judy Bogner, the founder of CCAP, that graced us with the story of CCAP at its most humble of beginnings. Thank you to our MC, Barry Lee, great job!

It was an amazing experience participating in these activities! With the help of our President, Anne Ashby, Dean Cole, our board member, and Brian, our volunteer of “everything”, we had a ball sharing the story of CCAP! Hoping to gain many new volunteers coming out of the events! At the Bright Futures Giveaway we did 24 food boxes and lots of bread, bagels, donuts, and muffins.

Here at CCAP we want to share with our community, local businesses and their special services or plans to assist those with limited funds. We had many businesses set up in our parking lot to speak with the community in this quarter. These are monthly visitors, some businesses coming multiple times depending on their schedules. Boost Mobile was able to sign many people up for an Affordable Plan and gave a free I-Pad with sign up. Aetna was able to share plans with the community & medical coverage which was a big surprise to those affected. Molina Healthcare comes monthly and does a Baby Shower with diaper giveaways and info. Multiple banks come to share options to assist with loans or account setups and how to manage money. Laurel Ridge was a wonderful sharing session on adult education.

Mission - Orphanage

Agnes Blankson, a resident of Manassas, VA and her family have been helping the orphanage for several years by getting children's clothing at low or no cost and shipping it twice a year to the orphanage in Ghana, West Africa. Agnes was searching online one day and came across this orphanage and noticed the need and wanted to assist them. She started searching for low cost clothing to ship to Ghana and happened to come to CCAP clothing giveaway last year. She shared her story with us that day and CCAP has offered for her need ever since. The name is Sankofa mmofra fie Ophanage and School in the village of Eguafo, near Elmina. CCAP has been able to help Agnes' family in their ministry by giving excess clothing and off-season clothing that will be shipped to the orphanage in time for Christmas.

Our current donation was only small baby clothing, but previously we sent excess identical sweatshirts in various sizes. The picture was taken of the children outfitted in those sweatshirts and looking very happy!

Rhea Lana's Children's Consignment

We were lucky to be able to receive Rhea Lana 2 times this year, once in Q2 and then again in Q3. Rhea Lana's is a high-quality Children's Consignment event. They are Moms helping Moms in the Winchester area. Thank you to Angela Stokes of Rhea Lana's for allowing CCAP to take what we wanted to serve our need for our community. Thank you to our board member Peggy Clarke, for organizing the pickups along with the help of some fellow volunteers from the house.
